Dear Ms. McHugh:

I'd like to order more books and an article. A year or two ago I asked for

Martin E.P. Seligman, Learned Optimism. out McN

wln 866189 I was told that you were able to locate the book but that it was "too new to take out." If it is now old enough to take out, I'd like to order it again.

I would also like to have

sending Galbraith Welch, Africa before they came, 960 05

which I believe is in your collection at the Lewis and Clark Library.

Also,

866194 W.I. Thomas and F. Znaniecki, The Polish peasant in Europe and America, Vol. I.

wln 87-029143 NDF

Note that this last is a five-volume set, and I want only the first volume. If I ordered all 5 volumes at once, I couldn't possibly read them

LABORATORY

all before the due date.

Finally, I'd like to have the following article:

Wilcomb E. Washburn, "A Moral History of Indian-White Relations", Ethnohistory 4(1):47-61.

I assume that the numbers mean Ethnohistory, volume 4, number 1, pages 47-61. The date of publication was 1957.

As usual, please send these materials to Sherri Wood at the Lincoln Library.

I appreciate very much all the trouble you go through to get books for me. Thank you!

Sincerely yours,

Ted Kaczynski
